

Inert Landfill – Powers Lake

HOURS OF OPERATION:

Wednesdays 6:00pm-9:00 pm

Saturdays 9:00-Noon

Pickup load or small trailer	\$40
Large dump trailer/dump truck	\$150-\$400
Appliances (all freon must be removed prior to entering landfill)	\$20
Couches/Loveseats/recliners/mattresses	\$10
Grass, leaves, trees	No Charge
Shingles - Outside city limits \$700/Inside city limits \$150-\$400	

* Charges are at the discretion of the landfill operator

* Fees are payable upon entering the landfill – checks made payable to the City of Powers Lake

Mixed material loads must be separated into the following piles

Center pit: clean wood such as branches

Large dumpster: Building materials such as sheetrock, plaster, shingles and siding. Household items like recliners, couches, TVs, microwaves, computers.

Grass clipping pile: grass and yard waste – NO branches

Metal/appliance pile: washers,dryers,ranges - Items must contain at least 70% metal.

Prohibited items: No household garbage, concrete, dead animals/veterinary supplies, pesticide cans, batteries, hazardous wastes, oils, greases, oil filters, solvents, or flammable liquids, tires, paint cans, aerosol cans.

In order to maintain an open inert landfill, we must obey state and federal regulations. Please comply so the landfill can stay open. The ND State Health Dept has advised the city to handle materials differently at the landfill. The city now rents large dumpsters and pays to have them emptied at a cost of \$605 each time.
