

# City of Powers Lake Building Permit Application

In accordance with the provision of Powers Lake City Building Code Ordinance Chapter 6 Planning & Zoning, Article 24, permit for the erection, construction establishment alteration or enlargement of any building structure or improvement (including fencing).

I/We \_\_\_\_\_ do agree to comply with all the requirements of said ordinance and do make application for permit to construct, alter or enlarge. Describe the proposed structure or changes being made to an existing structure:

\_\_\_\_\_  
\_\_\_\_\_

Estimated cost of construction: \_\_\_\_\_

Mailing Address: \_\_\_\_\_

Legal Description: \_\_\_\_\_

Contractors & Sub-contractors License # (indicate which state) \_\_\_\_\_

\_\_\_\_\_

### Attachments:

Plat showing the actual dimension of the lot or lots to be built on.

Draw property lines and distance to property lines of new and existing structure. Include all dimensions.

New subdivision construction requires a preliminary plot plan before building permit issuance.

An addition may or may not require an as-built of the property prior to construction. For additions, draw the additions with dotted lines and the existing structure with solid lines.

**Fee of \$50 is required prior to approval.**

**Mandatory that the permit be approved before the above said alteration, enlargement or construction shall begin.**

**Permit expires one year from date of approval.**
